

TRY TIME!

Try Time! is an educational program run by the North Queensland Toyota Cowboys in secondary schools targeting students in years 10, 11 and 12.

It uses the game of rugby league to engage the audience, with Cowboys ambassadors, including current and former players, delivering the interactive and dynamic presentations and sharing the key messages of the modules.

The program has a key focus on influencing this student demographic in making the right individual choices based on age-appropriate information and practical sessions.

All Try Time! modules are available for presentation in your school through the 2023 school year.

ON THE ROAD TO SUCCESS

Educating young and new drivers in road safety

BUILDING RESILIENCE

Building & strengthening mental resilience in our young people

VOICE AGAINST VIOLENCE

Exploring healthy relationships, how to support others and seeking help

READY, SET, VOTE

Teaching participants on the importance of voting, how to enrol and how to formally vote
