CORPORATE HOSPITALITY

North Queensland Toyota Cowboys game day hospitality, an unforgettable experience.

On 11 March 1995 the North Queensland Toyota Cowboys, led by Captain Laurie Spina, ran out on the freshly laid turf of a former trotting track, transformed hours earlier into a rugby league stadium fit to host our inaugural season.

After days of torrential rain, the skies cleared just in time to welcome 23,000 rugby league fans to our new home, keen to back the North's own team at our first grade debut.

It was a Saturday night at the footy like no other in North Queensland's history. Etched in the memory of those who joined us in the grandstands were many unforgettable moments, most notably the deafening roar of the crowd when Damian Gibson delivered both his and the club's maiden try.

It was a fitting start to an incredible thirty-year legacy, but it was only made possible thanks to the remarkable engagement of the local business community.

Our corporate supporters were the first to invest in a bid for a new rugby league club in the North. You were the first to lock in corporate packages which saw our Western Grandstand packed to the rafters in Kirwan. You were the first to commit to our new corporate membership offering at Queensland Country Bank Stadium.

Today, the support of our corporate members is stronger than ever - so much so that Cowboys hospitality packages are now the most sought after in the National Rugby League.

It's not hard to understand why. Like a vein of gold in the Burdekin River, our love for footy runs deep in North Queensland. Whether erupting off the back of a Reuben Cotter tackle, a Tom Dearden set-up, a Murray Taulagi try or a Scott Drinkwater conversion, our corporate members have always known nothing comes close to a Cowboys home game.

And what better way to enjoy then in a suite, dining room, lounge, box or premium seat, holding an icy cold XXXX, tucking in to delicious footy fare and taking in the live entertainment with your mates?

In 2024, the Cowboys welcomed over 600 full season and casual corporate members across 50 industries from as far west as Mount Isa, north to Cairns and south to Sarina who filled our corporate areas to capacity.

As the 2025 season takes shape we look forward to welcoming both new and renewing corporate members to the Cowboys fold. Our passionate local team is working hard to create an electrifying atmosphere for our 30 Year Anniversary season from gates to the final whistle.

On the field, Todd Payten's NRL Squad and Ricky Henry's NRLW Squad are investing many hours of consistent effort, building resilience and taking accountability every day in training, the sheds, on the field and in recovery to advance our Premiership legacy.

And, as always, we'll continue to write our story in the North with the support of our invaluable network of North Queensland businesses who, together with the Cowboys, are proud ambassadors of our region and the opportunities we provide.

Thank you for being part of our thirty-year legacy.

Yours in North Queensland,

Lewis Ramsay
Chairman

Jeff Reibel
Chief Executive Officer
